

Gareth Crossman,  
Director of Policy at Liberty  
(the National Council for Civil Liberties).

Author of “Overlooked: Surveillance and  
personal privacy in modern Britain”

# Overlooked: Recommendations

- Review of Data Protection Legislation
- A CCTV Act
- Increased powers/resources for the Information Commissioners Office
- Increased accountability to Parliament
- Judicial Oversight of Interception of Communications
- Extending the role of the Investigatory Powers Tribunal
- Removal of the bar on intercepted material
- No further extension of grounds for retaining DNA
- Review of deletion regime on NDNAD
